Aircraft:

2008 Cessna Citation Cj2+

Model: 525A (Cj2+)

Sn: 525A-0420

Reg No: N420CX

- ✓ *CESCOM™ Maintenance Tracking*
- ✓ *Low Time – Two Owners Since New!*
- ✓ *US Owned and Operated Since New!*
- ✓ *No Damage*
- ✓ *6+1 Pax Seating*

ACTT: 2911.0 hrs. (2/06/2023)

Landings: 3223

*Standard Certificate of Airworthiness: Sept 15, 2008

Engines:

Mfg: Williams

Model: FJ44-3A-24

- *Tap Advantage Elite™, Engine Protection Plan (Fully Paid up)*

#1 Engine – Sn. 216249

TBO: 4000 hrs

ENG TT: 2911.0 hrs. (02/06/2023)

CSN: 3223

#2 Engine – Sn. 216164

TBO: 4000 hrs

ENG TT: 2915.0 hrs. (02/06/2023)

CSN: 3154

Avionics:

The Pro Line 21 system was designed to be intuitive, so the pilots could quickly understand and act on the ever-changing mountain of data they are presented with. All flight data, including navigation, engine performance, and sensor readings are displayed on large, flat-panel LCD's. The Primary Flight Displays (PFD) compliments the Multi-Functional Display (MFD). Real-time weather and terrain data ahead of the planned flight route can be accessed via the Broadcast Graphical Weather system. The Collins FMS-3000 is an integral part of the system, which provides cutting-edge flight planning, flight management, and multi-sensor navigation capabilities. A flight plan uplink feature simplifies the modification of planned routes.

Electronic charts are a particularly useful feature: pilots can access airport approach plates, electronic checklists, and digital airport maps which display the real-time position of the jet.

Collins ProLine 21, w/AFD-LCD Displays (3ea) & Integrated Flight Information System,

- ** Pro Line 21 Ver 4.0 WAAS Upgrade*
- ** Collins IFIS 6.0 Upgrade (\$38,000.00 USD)*
